Financial Covenants

Financial Covenants

So long as any of the Notes remains outstanding, the Issuer shall not incur any Net Financial Indebtedness (Excluding Derivatives) if, on the most recent Calculation Date, the ratio of Net Financial Indebtedness (Excluding Derivatives) to Shareholders' Equity Net of Derivatives exceeds 3:1 (and, for the avoidance of doubt, the Issuer shall not incur any Net Financial Indebtedness (Excluding Derivatives) unless on the immediately subsequent Calculation Date such ratio would be equal to or lower than 3:1).

On each Reporting Date, the Issuer shall deliver a certificate (the "Compliance Certificate") to the Noteholders, signed by two Directors of the Issuer, certifying (i) whether the Issuer is in compliance with the covenants set out in this Condition 3.2 (Financial Covenants) as at the most recent Calculation Date, and (ii) the ratio of Net Financial Indebtedness (Excluding Derivatives) to Shareholders' Equity Net of Derivatives (calculated as described above) as at the most recent Calculation Date, together with a certification delivered by the external auditors of the Issuer (being such auditors that audited the consolidated financial statements of the Issuer in respect of the recent financial year that ended on the most recent Calculation Date) confirming that the calculations made pursuant to paragraphs (i) and (ii) of this Condition 3.2 (Financial Covenants) were calculated in accordance with generally accepted accounting principles.

A. Accounting Financial Indebtedness Net of Derivatives

Net Financial Indebtedness (Excluding Derivatives) means, as of any Calculation Date, the sum of cash and cash equivalents, the financial receivables and other noncurrent financial assets, financial receivables and other current financial assets, the current and non-current financial liabilities, excluding from the calculation (i) noncurrent payables for derivatives and current payables for derivatives and (ii) the net financial indebtedness attributable to the assets destined to be transferred, calculated by reference to the audited annual consolidated financial statements of the Issuer (as approved by the Board of Directors) as of and for the period ended on such Calculation Date. For the avoidance of doubt, the Net Financial Indebtedness (Excluding Derivatives) will be calculated based on the accounting items listed above without considering any change to the applicable accounting principles as of the Issue Date.
